A violin recital given by Master Maurice Hendricks, William A. Carper and Luther Wallace, Saturday afternoon at the residence of Mrs. Nelle Hendricks, was a rare treat. The little folks more than pleased as well as surprised us. Each individual number, also duets and trios, showed faithfulness and studiousness. Their technique, time and position cannot be criticized for their ages and the time they have been taking lessons. They are pupils of Arthur Eaton, a very patient and efficient violin teacher. Keep on, boys, you'll make for yourselves a great record some day.

The Modern Literary and Art Club of South Park, Kansas, rendered a very comical two-act drama entitled "District School at Blue Berry Corner," which was well rendered by every character and kept the audience in continued laughter. We note with pride the uplift of this little community. The following program was rendered in connection with the drama: Chorus; reading, Mrs. Dolman; vocal solo, Mrs. Inez Henderson; reading, Mrs. A. B. Staudling; vocal duet, Mrs. M. Baker and Mrs. M. Smith; closing

number was a solo by Toney Dolman and chorus. The State Guards of South Park, with P. R. Brown, lieutenant, marched across the stage singing "We Are Going Over." The applause was extremely great and showed the patriotic spirit of our people. The Red Cross benefit, which was a live pig, was awarded to Mrs. Coleman of South Park, who held the lucky number, 233. The Club wishes to thank everyone that helped in any way to make this entertainment such a splendid success. The Red Cross will realize a neat little sum of \$17.00 from the chances on the pig above expenses.

A GOOD BUSINESS MOVE.

Many Colored people own automobiles in Kansas City and environs. They must be housed in a garage at home or elsewhere; they must be repaired at home or elsewhere. It becomes necessary in case no garage is at the residence and no repair can be done there, to find such a convenience elsewhere. Such an establishment has been opened under new management at 1420 Woodland avenue.

The men back of this garage and training school are anxious to give service to the entire public.

If you store your car there we want it absolutely safe from harm. If you have your car repaired there, we want it to come out whole and not ruined forever.

If you want to learn to drive, we teach you in the easiest, safest, simplest manner. If you own a car bring it to us and we will teach you how to operate it at least expense to yourself.

If you desire to buy a car get us to give you expert advice on the purchase. If you want a nice car that looks right to spend an hour or so in these hot evenings and hotter days, call us and we will give you a car that will give you comfort, pleasure and at the same time a modest and dignified appearance.

Now we ask the public to give us a fair trial; we are in our infancy but we shall stretch every muscle to give you absolute satisfaction.

We want to make our Automobile Home and School at 1420 Woodland avenue, a place reliable, well equipped and a credit to the mechanical genius of the race.

Help us—Try us—Call upon us now. Teaching—Repairing—Storing. For rates call East 783, Bell phone.
